About the ToolBank

From humble beginnings in 1991 as a grassroots volunteer effort to provide home repairs to low-income seniors in south Atlanta, to the innovative tool-lending program it is today, the Atlanta Community ToolBank engenders a spirit of collaboration and community engagement that has benefited the Atlanta community for over 27 years.

At the ToolBank, we steward an inventory of tools for lending to charitable organizations to increase the impact of their mission-related efforts in the community.
